Fotoseptiembre in Boerne

FOTOSEPTIEMBRE USA is an International Photography Festival, which takes place September 1 - 30, every year, in San Antonio and the Texas Hill Country. Photographers from across the world come to celebrate the art of the photograph in galleries throughout the area. Boerne hosts three exhibits this year, with a diverse and exciting collection of artists and their respective works. Opening receptions for the Boerne events are the evening of September 12; most of the exhibits are on display through the month of September.
