Spotlight: Art

Sept. 1–30

Fotoseptiembre USA

Some 40 museums, galleries, offices, schools and libraries throughout the Hill Country pack their wall space with photography in celebration of this annual festival. From darkroom-printed traditional styles to unusual experimental techniques as well as cutting-edge digital innovations—the festival highlights them all. A partnership with Art and Culture of Taiwan presents the work of Taiwanese photographers in several exhibits. Various locations, fotoseptiembreusa.com. —Natalie Brown
