Fotoseptiembre is an annual photography festival that runs the full month of September in San Antonio, and traditionally the first issue of the month features art from one of the big opening shows. This year was a no-brainer — once I saw "Princess Snow" (part of photographer Isa Ho's exhibit *Fairy Tales*), I knew we had our cover art. Read Scott Andrew's guide to Fotoseptiembre [here](#), and check out more of Ho's work [here](#).
