## Event Description

The FOTOSEPTIEMBRE USA International Photography Festival has fostered a tremendous growth in the photographic arts in South Texas. Established and mid-career artists showcase their talents alongside a burgeoning pool of avid photographic artists and enthusiasts. This reflects a deep interest in photography both as an art form and as a means of personal and cultural expression. It also points to San Antonio's expansive, enthusiastic embrace of FOTOSEPTIEMBRE USA-SAFOTO. Participating artists include Carla Veliz (San Antonio), Laura McPhee (Massachusetts), Ramin Samandari (San Antonio), Joan Frederick (San Antonio), and UTSA Graduate students to name a few.
