Marbles

My marbles have been with me ever since I can remember. They have been characters in my stories. I have carried them with me on the subway and as I left school, always ready for whatever my imagination could devise. They have been my constant friends in a strange country that I am unable to get used to, but that I recognize as my home.

Canicas

Mis canicas me han acompañado desde que me acuerdo. Han sido los personajes en mis historias, las he llevado conmigo en el metro y a la salida de la escuela, siempre listas para lo que mi imaginación pudiera idear. Han sido mis amigas constantes en un país extraño al que no me puedo acostumbrar, pero que reconozco como hogar.

BODY AND MIND

CURATED BY MICHAEL MEHL

SAFOTO WEB GALLERIES
WWW.FOTOSEPTIEMBREUSA.COM/GALLERY

"I'm thirty years old and I feel
that the human body is
beautiful and natural.
I've never had any body issues and
have always been proud of
my body regardless of what
stage of development I'm in.
I think my body is beautiful.
Just because it's a human body
it's a source of power
and I think I've made it beautiful
with what I've done to it
with tattoos.
I think the society is afraid of
women's bodies in particular
so because of power, we have the
power to create our own
life, and get more powerful
than that."
