FOTOSEPTIEMBRE USA
SAFOTO
SAN ANTONIO PHOTOGRAPHY FESTIVAL

Welcome to the 2003 edition of the FOTOSEPTIEMBRE USA International Photography Festival. FOTOSEPTIEMBRE USA is first and foremost a people's festival; an eclectic forum for the exhibition and celebration of photography and photography-based art forms.

Throughout the last eight years the SAFOTO-FOTOSEPTIEMBRE USA Festivals have sparked an unprecedented surge of photographic output from within our community. In this year's festival, aside from established and mid-career artists; respected city leaders, energized activists and young shutterbugs, join their talents with those of an already burgeoning pool of avid photography enthusiasts from South Texas and beyond. All in all, this enormous artistic growth reflects a deep interest in photography as an art form and as a means of personal and cultural expression; it also points to our community's expansive, enthusiastic embrace of the FOTOSEPTIEMBRE USA Festivals.

As organizers of FOTOSEPTIEMBRE USA we fully engage the rich multiplicity of our region's combined cultural legacies, and we are proud of the opportunities for outreach, artistic advancement, and economic development that are generated by the Festival.

This year, we have renewed our close traditional links to Fotoseptiembre Internacional, which is organized by Centro de la Imagen in Mexico City. By cross-promoting our sibling festivals, we are adding many opportunities for increased international exposure, resulting in a more comprehensive and desirable exhibition context for participating artists.

A complete listing of the FOTOSEPTIEMBRE USA 2003 Exhibitions Program and the SAFOTO WEB GALLERIES is available on the web at www.safotofestival.com. Information about Fotoseptiembre Internacional, the *Image & Education Colloquium* and the *Analog To Digital Colloquium* in Mexico City are also available on the web through the Centro de la Imagen link in our web site.

FOTOSEPTIEMBRE USA and the SAFOTO WEB GALLERIES are presented by SAFOTO-San Antonio Photography Festival. Funding for the FOTOSEPTIEMBRE USA Festival is provided by Michael Mehl & Ann Kinser. Funding support for this Catalog, the Exhibitions Program Booklet and the SAFOTO Web Listings, is provided by all the artists and organizations featured in these pages. We are very grateful to all of you.

Sincerely,

Michael Mehl & Ann Kinser
