

FOTOSEPTIEMBRE 2000

UNITED STATES
FOTOSEPTIEMBRE
INTERNACIONAL 2000
PROGRAM OF EVENTS

Wow!!!

Photographers collaborating with painters. Painters creating digital images. Internationally known artists exhibiting side-by-side with budding photographers. Photographic artists from Scotland, Spain, Mexico, Latin America and San Antonio's Deep West Side. Peruvians in New Mexico and Washington, DC. Brazilians and Argentineans in Houston and San Antonio. Peripatetic Austinites. San Antonians everywhere. Century-old images and today's most daring aesthetic adventures. Traditional techniques and all kinds of new media work. Art photos, documentary photos, press photos, collages, objects, installations. Conceptual, lyrical, nostalgic, futuristic. Silver gelatin, RC, digital, computer generated, toned, hand tinted, transfers. Lectures and conferences by renowned art critics, curators, writers and artists. Established galleries and recently renovated ad-hoc ateliers from South Flores to Rebecca Creek. The unprecedented support and enthusiasm of San Antonio artists and institutions. SPONSORS!!! Private and public. How about that?!? But mostly, hundreds of incredibly exciting and interesting photographic images, waiting to burst into public view; jabbing and grabbing you as they clamor to be devoured by your attention. Fotoseptiembre 2000 is here... all over the place!!!
